

PICHAMON SUBSANGUAN

Nationality : Thai
Age : 21

SUMMARY

I am currently a fourth-year student majoring in Creative Jewelry at Rajamangala University of Technology Phra Nakhon in Thailand with passion for jewelry design and craftsmanship. A responsible, detail-oriented, and adaptable individual who enjoys collaborating with others and learning from new experiences. Seeking a meaningful international internship opportunity to further develop my technical and creative skills, contribute to a professional team, and gain valuable industry experience in jewelry design and manufacturing.

EDUCATION

**Rajamangala University of Technology
Phra Nakhon**

Creative Jewelry
2023-Present

Benchamatheputhit Phetchaburi School

English-Chinese
2020 - 2023

SKILLS

- Handmade Jewelry Fabrication
- Jewelry manufacturing process
- Gem cutting (Basic)
- Electroplating (Basic)
- CAD (MatrixGold, Zbrush) (Basic)
- Drawing
- CNC (Basic)
- Laser(Basic)
- Engraving (Basic)

RELEVANT EXPERIENCE

🔍 Jewelry Manufacturing Practice

Rajamangala University of Technology Phra Nakhon
June 2023 - Present

Jewelry manufacturing process

- Gained hands-on experience in the complete jewelry manufacturing process, including wax injection, rubber mold making, spruing, metal casting, soldering, gemstone setting, finishing, polishing, and handmade jewelry production.

CAD & Digital Sculpting

- Created jewelry designs from concept sketches to finished pieces and developed 3D jewelry models using MatrixGold, Rhino, and ZBrush as part of academic projects.

Teamwork

- Collaborated with classmates on jewelry design and production projects, strengthening teamwork, communication, and problem-solving skills.

🔍 Field Study

Tin mining site

- Participated in a field study at a tin mining site to gain practical knowledge of gemstone resources, mining processes, and gemstone sorting techniques.

Gem and Jewelry Museum & Chanthaburi Gem Market

- Participated in a field study at the Gem and Jewelry Museum and the Chanthaburi Gem Market. Learned about gemstones found in Thailand, Thailand's gemstone export industry, gemstone trading, and quality evaluation.

🔍 Workshops & Training

- Participated in a hands-on workshop on designing and creating kinetic jewelry with movable mechanisms. Learned techniques for integrating functionality and movement into jewelry design.
- Participated in theoretical and practical training on gemstone origins, identification, and microscopic gemstone examination. Gained experience using gemological microscopes to observe and identify gemstone characteristics.
